LETTER FROM ASHLAND.

He was fifty years of age.

EDITORS CHRONICLE:-After a long silence, will you give me a space in your columns? Everybody has something to say about crops, and as I am no disposed to be sui generis, by your permission, I'll speak my piece. To begin; we have larger crops, and better crops, and a greater variety than we ing and Smoking Tobaccos at ever had, and everybody and his wife and all the children have done more and better work than ever before, and as a natural result we have the finest prospect for a bountiful supply that Teas at has ever been seen since Adam and Eve first went to house keeping. Notwithstanding this, for the last three weeks rain! rain! rain!!! has been the daily order from the weather clerk. Machine Oils, at greatly reand consequently the farmers could not do much farm work, yet we will duced prices. have an abundance and to spare. Though the excessive rains have injured the wheat and oat crop very materially and doubtless have short-

The tobacco crop, though by far the largest ever planted in Cheatham county, will, I fear, owing to the abundance of rain, very little, if any, exceed a fair average crop. A great deal of it has 'Frenched," and none of it seems to grow as it should. And then again, the Cumberland has been putting on chine, which has never been used, to airs, making a winter river of itself dispose of upon reasonable terms. It here in mid-summer, backing up the is a No. 2, half case, bronzed arms, creeks and overflowing some of the polished case, with all the late imfinest farming land we have, in many instances killing the corn. And then, as if to cap the climax, a most terrific

tornado passed over a portion of our county last Sunday night, unroofing houses, uprooting trees and laying the corn, in many places, perfectly flat on the ground.

You were blowing last week over a fifteen inch "Trophy Tomato." I don't think that was any big thing for a re-R. H. OGBURN, Deputy, will organ- gular market gardener, who makes ize a County Grange in Clarksville, on such things a specialty. I raised one the first Monday in September next. 121 inches round, weighing over a pound and didn't blow a bit, and mine used as a garden before this year. Mine was of the "General Grant" variety, and in order to be true to name it must of necessity have been a little bloated and was about as large one devastated fields and badly damaged way as the other, and notwithstanding has received largely in excess of her crops, in various portions of the coun- the name, it is the finest tomato I ever

saw, the Trophy not excepted. I have both kinds growing, as well as the "Canada Victor," but the "Grant" is played in this city on 5th inst., between the ne plus ultra of tomatoes. Not the Wamberger club, of Trenton, Ky., long since you had something to say grown by my neighbor, Tom Hale, that measured, respectively 111, 101 THE National Grange meets at Louis- and 91 inches, and he brought in four or five other stalks, all from the same bunch with the first three, that were from five to eight inches long, but I thought they were too short to measure. I could tell you something about the kind and size of the Irish potatoes we raise up here, and the length of our mence the next term of her music pumpkin vines, and about one special

you something about my bean vine. I MR. BRYCE STEWART has gone to have it from good authority that Capt. MISS AGNES DRYDEN will open a Beersheba Springs. If for health, we J. J. Lenox has corn 18 feet high; and as to sweet' taters, if "coming events vine is any index to the product, we will have no place to store what we will make. We have no "Horn snakes" up here, but we have some huge rat-

> sometimes produce all sorts of snakes. I guess "Billie Dortch" is the name of the Sunday School teacher, whose name is spelt out by the initial letters of your Scriptural enigma. Full solution too long for this already long drawn out scroll. What has got to be the matter that the CHRONICLE does not put in appearance now until Tuesday. of its arrangements than any residence in or adjoining the city. The residence is of brick-has eight (8) large rooms and four (4) dressing rooms. The kitchen is also of brick, with two up-stairs rooms over it. There are also upon the property a Gardener's House, Coal House, Potato House, Brick

Hen House, Corn Crib, Barn, Large Stables, Ice House, with fine Pond close to it, on the Premises.

The residence is situated near the center of the tract of land, which contains some 70 or 75 acres of land, and is about 300 yards from the Clarks-ville and Russellville Turnpike. There is a beautiful lawn in front of the dwelling, with a good carriage way to the turnpike, and evergreens growing on either side, and other trees on the lawn. The land is in good condition for

A plat of the property will be made and exhibited on the day of sale. TERMS OF SALE:

\$600 00 cash; balance on a credit of 6, 12, 18, and 24 months. Notes must be given, bearing interest from date, at rate of 6 per cent. per annum, and security will be required—either personal or collateral security will be

desired.
